

COMPARE FUZOR DESIGN BUNDLES

Design

	Collaboration Viewer	Lite	Design Synergy	BIM Solution	Design Ultimate
Unique Features					
Multi-User VR Collaboration	Join	Join	Join	Join	Host + Join
Live Link Synchronization with Revit and ArchiCAD		Sync Only	Bi-directional	Bi-directional	Bi-directional
Point Cloud Support (.pts, .fls)		•	•	•	•
Recap Support through Revit and Navisworks		•	•	•	•
History List		•	•	•	•
Direct Substance Material Support (.sbsar)	Viewing Only	Viewing Only	•	•	•
Direct Physical Based Render (PBR) Material Support	Viewing Only	Viewing Only	•	•	•
Event Trigger System - Creation and Export	Viewing Only	Viewing Only	Viewing Only	Viewing Only	•
Sequence Animation System - Creation and Export					•
Interactive 2D Viewsheet					•
Private Cloud Solutions	Available Upon Request	Available Upon Request	Available Upon Request	Available Upon Request	Available Upon Request
VR/MR Support					
Oculus Rift / Rift S and Touch Support	•	•	•	•	•
HTC Vive / Vive Pro / Cosmos Support	•	•	•	•	•
Windows Mixed Reality Support	•	•	•	•	•
Live VR Measurement	•	•	•	•	•
VR Mark-ups and Screenshots	•	•	•	•	•
VR Annotations	•	•	•	•	•
View Element BIM Properties	•	•	•	•	•
Scale Mode	•	•	•	•	•
Visibility Override	•	•	•	•	•
Why is Fuzor right for you?	Let Us Show You! Sign Up for Training				
Airplane and Avatar Navigations	•	•	•	•	•
VR Design Tools		•	•	•	•
Masking Mode		•	•	•	•
Operator Mode		•	•	•	•
Interactive VR Video		•	•	•	•
VR Record, Playback, and 2D Heat Map Export		•	•	•	•
Google Cardboard Support		•	•	•	•
VR Interactive Tools		Viewing Only	•	•	•
Family Object Movement			•	•	•
Family Library Placement			•	•	•
Real-time Material Changes			•	•	•
Design					
Sun Study Controls	•	•	•	•	•
Weather Controls	•	•	•	•	•
Render Style and Graphical Adjustment Controls	Render Style Only	•	•	•	•
360° Panoramic Screenshot		•	•	•	•
VR Panoramic Screenshot		•	•	•	•
Custom Audio Effects		•	•	•	•
Avatar Customization		•	•	•	•
Custom Selection Sets		•	•	•	•
Museum Box Render Mode		•	•	•	•
Customizable Skybox		•	•	•	•
Selectable Terrain and Sky Type		•	•	Terrain Only	•
2D Media / Projected Media Assignment			•	•	•
Direct Archvision RPC Support			•	•	•
Real Time Material and Lighting Adjustments			•	•	•
Family Placement			•	•	•
Object Refitting with Move Windows for Precise Movement			•	•	•
Seasonal Foliage Library with Fast Placement			•	•	•
Automatic Door Revit Animations			•	•	•
Custom Door Revit Animations			•	•	•

Custom Door, Rotation and Translation Animations					
Spawn Particles- fire, smoke, water, spark					
Custom Particle Creation					
CCTV Design and Simulation					
Customizable Design Options		Viewing Only			
Vehicle and Entourage Placement					
View Analysis					
Custom Animated Family Library Creation					
Export Custom Sequence animations to other projects					
BIM					
Measurement Tools (accuracy to 1/8")					
Saved Camera Views with BIM values					
Section Box and Multiple Section Cut Planes					
Object Visibility Controls					
Element Property Filter System					
Phase Filtering Support					
Hidden Geometry Reveal					
BIM Information Edit and Creation					
AM/FM BIM Info Transfer to Executable file					
Footstep Counter Measurement					
Color Override Edit and Creation					
Clash Analysis, Grouping and Report					
Light Report Functionality					
Height Clearance Analysis					
Edge Detection Analysis					
Communication and Mobility					
Object Annotation System (.ano and .bcf support)					
Issue Tracker (req. Collaboration Server)					
HD Screenshot and Screenshot Transparency					
Walkthrough Video Recording and MP4 Export					
Flythrough Video Recording, Editing and MP4 Export					
VR-Ready Client Viewer Generation					
Fuzor Mobile File Generation (iOS and Android)					
Object QR Code Generation for Mobile					
Additional Features					
Worksharing Support for Fuzor CHE Files					
Rhino 5 (x64) / Rhino 6 (x64) Plug-in					
Civil 3D Plug-in					
Navisworks Plug-in					
FBX, SKP, 3DS and IFC Drag and Drop Support					
Fuzor API Support					
C.A.V.E. Support					
Hologram Support					
Additional Device Support					
3D Glasses for 3D TV and Monitor Support					
Xbox Controller					
USB Game Controller					
3D Mouse
